

BOB SAROYA, M.P. Markham-Unionville

Greetings from the Member of Parliament for Markham-Unionville

As the Member of Parliament for Markham-Unionville and (Associate) Shadow Minister for Immigration, Refugees and Citizenship, I wish ParentConnect a successful Parenting Expo, October 21st, 2017 in Markham, Ontario.

This year's Parenting Expo is supported by various business leaders and departments of government. This event promises to provide immigrant parents and parents-to-be with an opportunity to learn and benefit from resources available from public and private organizations in our community.

ParentConnect, which is organizing this year's Parenting Expo teaches new and immigrant parents the knowledge and provides the resources for children to be raised in a happy and healthy family while emphasizing positive parenting. This event brings together experts from diverse cultures and ethnicities for free under the ParentConnect platform.

Congratulations to the organizers of this year's Parenting Expo and I wish you years of continued success.

Warmest regards,

Bob Saroya, M.P.
Markham-Unionville
